22/195 Matters arising (report only).

- a) **22/063 – Cllr Goldsworthy to report on updating bank signatory.** The Chairman confirmed Cllr Goldsworthy was now registered with the bank and should be able to log into the parish councils accounts.
- b) **22/103 – Play Area chain-link fencing – update on work to be completed.** A new quotation had been received to carry out the work to the chain link fencing. Having experienced problems getting hold of the original contractor appointed, it was agreed this new quote be accepted and the work carried out as soon as possible. The contractor had also submitted a quote to carry out the insulation work on the skate ramp (material provided by the parish council). It was proposed by Cllr Gillard, seconded by Cllr Faull and unanimously agreed the contractor be asked to carry out both jobs; and that an additional £300 is earmarked should the end posts next to the bowling green require replacing.
- c) **22/114 – The Green at the Bank – update on the replacement of the last 6 posts.** It was noted that Cllr Sutherland was liaising with a contractor to obtain a quotation for replacing the remaining 6 posts. Costs had already been allocated for this work, but the original contractor was no longer available to do the work.
- d) **22/138 - CCTV at the Village Hall and pavilion – to note work has been completed.** The installation of the new CCTV had been installed. The parish council has removed the hard drives and Cllr Glasson is arranging for disposal of the old units.

accept Cllr Deards offer to fill this role in the interim period up to the September meeting when the matter will be put on the agenda to formally fill the position.

- c) Probus Environmental Action Team (PEAT).** Cllr Dalton had circulated a report. The closed churchyard was to be cut three times a year, under the Cornwall Council Agency Agreement. A group of volunteers would also look after areas of the site. Cllr Dalton had contacted Cornwall Council who were now going to cut back areas at Hicks Close, and would report back on future arrangements to carry out this work. Various paths within the village were overgrown (Church View, Carne View, Tregony Road, St Austell Road) with rubble dumped on one footpath. Cllr Glasson had spoken with the GP Surgery and confirmed the porta-cabin would be available mid-September. Cllr Glasson suggested that quotations are obtained to move the cabin back to the village hall car park, and install electric and water supplies. Various uses for the cabin were discussed and the village hall were happy to take on the insurance and ongoing maintenance and running costs. The cabin was originally gifted nearly two years ago to the parish council by Wainhomes and had been loaned to the GP Surgery. The Chairman proposed costs be obtained to install an 8-10 meter soak-away (French drain) and replace the kick boards at this end of the site. This was seconded by Cllr Faull and unanimously agreed.

Cllr Maskill declared an interest and left the meeting for this item. Councillors had all received the report and spreadsheet from the playing field committee regarding costs for a

replacement machine. It was felt the committee needed to gain support from those using the field and the public and work on their fundraising efforts and administration. It was proposed by Cllr Faull, seconded by Cllr Tofts and unanimously agreed the parish council supports the work of the playing field committee in maintaining the field and purchases the mower proving a donation towards the costs is given and the committee move forward in planning their long term fundraising for the future. Cllr K Glasson was able to donate some money from the Cornwall Council Community Chest Fund.
