

Probus Parish Council Policy for dealing with Wind Turbine Applications.

As adopted at the meeting on 23rd October 2012.

1. Members of the Probus Parish Council Planning Committee to attend a site visit before the Planning Meeting when the application will be presented.
2. Probus Parish Council expects a presentation from the developer with accurate photomontages before consideration of any wind turbine application.
3. Probus Parish Council request for all Wind Turbine applications a static balloon is flown on a pre-determined, well publicised day to show blade tip height to demonstrate the scale of the structure.
4. Probus Parish Council will question the erection of Wind Turbines without an Environmental Impact Assessment due to the cumulative impact on the landscape.
5. Probus Parish Council would seek wind turbines ideally sited a minimum of 550m away from the nearest residence.
